

SECC CARE

The new Marvel Strada L100 CARE is a perfect vehicle for your health care center. It is compliant with the latest National Ambulance Code and is designed to ensure upscale amenities to the patient. The new Mercedes-Benz® provides utmost safety and comfort within the Public Address System (Amplifier, Micro and Speaker) helps with a trouble-free transit. There is a Bed, Bed and Trolley, Bed, Oxygen, Cylinder, Clamps and a Head for Infusion Mounting to provide for medical utilities. In addition, Privacy Fronted Windows of the fully enclosed L100 Care offer optimum privacy. Ambulance & comes with the best and reliability that you can expect from all Marvel Strada products.
